# The 50+ Graduate Development Program

Empowering Tomorrow's Workforce

Welcome to The Arab Energy Fund (TAEF) 50+ Graduate Development Program; an initiative aimed at empowering the youth from the 10 member countries.

# Objectives

TAEF's 50+ Graduate Development Program equips youth with the knowledge, skills, and experience required to succeed in the dynamic job market. The program has **two primary objectives**:

## 1 Talent Development in Member Countries

The program aims to prepare qualified graduates from member countries by developing their professional and technical skills, enhancing their readiness to enter the labor market.

---

## 2 Institutional Capacity Building

The program seeks to support the efficiency and productivity of institutions in member countries by providing them with well-trained graduates capable of contributing effectively to achieving organizational goals.
